DAYDREAMS OF A PASTOR...

October 17th we were to have a Dinner (our 150th Anniversary). We turned it into a Virtual Fund-raiser. We called it a Super Raffle, a BIG 50-50.

How did St. James do?? We gave away \$23,000.00. One of our big winners, Paul Grenon and Barbara Carter gave us a \$1,000.00 in honor of Gerry Grenon.

So the 192 St. James Students were the BIG WINNERS! \$23,000.00 from the Raffle and \$31,000.00 from the Memorials. So our total gift to St. James School was \$54,000.00. Thank you so much! Last year we made \$9800. So thanks to our Co-Chairs, Joe and Kim Beaufort. The rest of the committee is Fr. John O'Neill, Rene Barbeau and Lucille Farrell.

It was a great Sunday on October 18th. If you missed this great event, we are going to do it again on March 21st. Tickets will be \$100 and the second 50-50 ticket will be \$10.

God Bless, Fr. John

November 3rd begins Catholic Schools Week...**THE BENEFITS OF A CATHOLIC SCHOOL EDUCATION...**

Catholic Schools are a smart investment for parents who want their children to grow into caring, faithful, and successful adults. Parents choose Catholic Schools for their children because of high academic standards, character development, and a safe school environment. While not all students who come to Catholic Schools are Catholic, but all share experiences of faith and values.

A Catholic education is a challenging education. We foster excellence by combining high standards, strong motivation, and effective discipline within an atmosphere of caring. The high quality of our students' performance is supported by the evidence. Students in Catholic Schools score above the national average in reading, language, mathematics, science, and social studies. In many grades, the average Catholic School student is achieving at or above the top quarter of their national peers. Nearly all (97%) Catholic high school students attend college. In recognition of our schools work to achieve very high learning standards and close achievement gaps among students, over one-third of our elementary schools have been designated Blue Ribbon Schools by the U.S. Department of Education.

While providing a stimulating and demanding education, Catholic Schools give students a high level of individualized personal attention. This commitment is reinforced by participation in programs that are tailored to challenge advanced students and support those who experience difficulties in the various areas of study. Catholic Schools are constantly evolving their educational experience to offer opportunities in technology and engineering with emphasis on fostering environments of collaboration, critical thinking, community service, communication, research skills, and perseverance.

Catholic Schools are committed to the development of the whole student; therefore, extra-curricular activities are regarded as an important part of the total learning experience. A variety of choices are offered to reflect the

uniqueness of each student, to generate a healthy sense of competition, to create a spirit of cooperation and to foster both leadership and creativity. Catholic schools offer a rich blend of dance, music, arts, and athletic programs.

The Catholic School philosophy infuses our total education program and challenges students to improve the world by sharing Gospel values and living Christ's message of salvation through love and forgiveness. This philosophy helps form the minds, bodies, and spirit of students and leads them to a life of service to others. It sets our schools apart from public and private schools.

Catholic schools have developed programs of financial aid and scholarships to assist families in considering Catholic education for their children. So, besides exploring the Religious and Academic programs of the schools' families should also explore their financial aid and scholarship programs.

Thanks to the Archdiocese of Newark, N.J. for this Daydream. Thanks for making St. James School, the best there is!

Linda Joyal, Deacon Rene and Fr. John O'Neill

ALL SAINTS DAY

First Reading: Revelations 7:2-4, 9-14

John recounts for us the details of his vision. An angel bearing the seal of the living God demands that the land and sea not be destroyed; huge crowds stand before the throne of the Lamb crying out that salvation comes from God; angels gathered round and praised God; an elder questions John and explains that those dressed in white are the ones who have survived the great period of trial.

Second Reading: 1 John 3:1-3

Once again John speaks to us of love. He points out to us the great love that the Father has for us by allowing us to be called children of God. John explains that the world doesn't recognize us because it never recognized Jesus. Our future will be revealed to us and in that light we shall see him as he is.

Gospel: Matthew 5:1-12a

When Jesus saw the crowds of people he went up to the mountainside gathered his disciples around him and began to teach them. This lesson in love has come to be known to us as the great "Sermon on the Mount" or "The Beatitudes."

PRAYER FOR THE MARIAN YEAR 2020-2021

O Mary, Mother of Reconciliation, in this time of celebration we rejoice that:

The Father asked you to carry out his plan of Salvation,
The Son chose you to be his Mother and his First Disciple,
The Holy Spirit fashioned you into his living temple, our sister in faith.

At La Salette, with abundant tears of mercy, you spoke the two poor children in their own language and urged us to share your message of peace and hope with needy people of every culture and nation. Pray for us to your loving Son that we may draw all your people closer to him. **Amen.**

ST. MICHAEL PRAYER

St. Michael the Archangel, defend us in battle. Be our defense against the wickedness and snares of the devil. May God rebuke him, we humbly pray, and do Thou, O Prince of the heavenly hosts, by the power of God, thrust into hell Satan and all the evil spirits who prowl about the world seeking the ruin of souls. **Amen.**

FRIENDS OF ASSISI FOOD PANTRY NEWS

Let’s go fly a kite! Up to the highest height. Let’s go fly a kite and send it soaring!

This song reminds us of our childhood days so carefree throughout the summer months, riding our bikes and flying our kites. My sister and I would see who could swing the highest as we sang this song!

As summer winds down and parents begin to get their kids back to school, however it will be this year, we find ourselves with the generosity of the community who have blessed us with many donations including backpacks. One of our donors lost her dear husband a few years ago, and in his honor, they have started a foundation. We have been honored to be the recipients and they have bestowed upon us many backpacks for the young children. Our donor recently stopped by and I showed her a video of thanks, a young boy’s mom had made. He especially thanked us for the squeeze ball. He exclaimed: “this is exactly what I need when I am angry!” We both were quite teary eyed while watching the video thinking how different life is for the children during this time. And how perceptive that she knew this was exactly what this child needed in his Ninja Turtle backpack! He was so delighted.

Despite all that may be happening in the world, here in our little corner, kindness and miracles occur each day. We are so grateful that you are helping us in the miracle of feeding those in need especially during this time. We know we can always count on you.

We especially thank you for donations of beans 6-1 and groceries 7-24.
